Tournament Information

The Oregon Presidents Cup presented by the Portland Timbers (boys) and Thorns (girls) is open to any competitive team registered with Oregon Youth Soccer Association at ages U11-U19 that is not barred from entry by tournament rules. There is no requirement that a team has played in a qualifying league prior to entering the tournament. This tournament is intended for teams that are not the most elite teams in a state so there are eligibility restrictions that prohibit some teams from entering. Those eligibility restrictions are in Rule [P\(3\)](#).

This tournament is the state level competition of the US Youth Soccer National Presidents Cup. The US Youth Soccer Presidents Cup is a national competition for ages U13-U17 that begins at the state level and continues through regional competition and concludes with championships at the national level. This tournament determines which U13-U17 teams will represent Oregon at the Region IV Presidents Cup tournament.

The Portland Timbers and Portland Thorns are the presenting sponsors of the tournament and they provide Oregon Youth Soccer with support in the management and operations of the Presidents Cup tournament.

A Laws of the Game

FIFA Laws of the Game apply except as specifically modified.

[You can download a copy of the current version of the Laws of the Game from the IFAB website - <http://www.theifab.com/#/document>. The Laws are available in English, Spanish, French, and German]

(1) Substitutions:

Unlimited substitutions are permitted, with the consent of the referee, on any dead ball.

(2) Length of Games and Ball Size

Age group	Ball Size	Length of Game	Halftime	Overtime*
U11-U12 (9v9)	Size 4	2 x 30 min. halves	10 min.	Two 5 min halves
U13-U14	Size 5	2 x 35 min. halves	10 min.	Two 10 min halves
U15-U16	Size 5	2 x 40 min. halves	10 min.	Two 15 min halves
U17-U19	Size 5	2 x 45 min. halves	10 min.	Two 15 min halves

* **Overtime is used for Semifinal and Final matches only. All overtime periods are played in full.** If a match is still tied after two full overtime periods, then FIFA "Kicks from the penalty mark" will determine the winner. For ties in bracket games refer to [Rules N\(3\) - N\(6\)](#). For knockout games refer to [Rule N\(7\)](#).

(3) Tie Games

- (a) All games that end with a tie score will be followed by FIFA Kicks From the Penalty Mark.
- (b) **The results of Kicks From the Penalty Mark do NOT determine a winner in bracket games.** They are used only to provide a tie breaker that may be used to advance a team from a bracket. See [Rule N\(4\)](#).
- (c) In all knockout rounds the results of Kicks From the Penalty Mark will decide the match winner.
- (d) Reporting the score from a tied game:
 - (i) The score of the match is the tied score at the end of the match, following any applicable overtime periods.
 - (ii) Results of FIFA Kicks From the Penalty Mark are always reported separately, by both referees and team personnel entering match scores.
 - (A) Referees enter KFM results in the "Abnormal or Unusual Situations" section of the match report.
 - (B) Team personnel enter results in the comments section of game scoring for preliminary matches or the PK results boxes for knockout games.

(4) Game Balls

- (a) The tournament will provide game balls at venue-based final matches.
- (b) For all other matches the home team is expected to provide game balls acceptable to the referee, although the referee may accept game balls from either team.

(5) Field Size

Age - Format	Minimum	Maximum	Goal
U11-U12 - 9v9	45x70 yds*	55x80 yds*	6.5x18.5 ft*
U13-U19 - 11v11	50x100 yds ‡	100x130 yds ‡	8'x24' ‡

*US Soccer Federation Player Development Initiatives

‡ FIFA Laws of the Game

[Note: The goal size for 9v9 is highly recommended, but is not mandatory. The reduced field size for 9v9 matches is mandatory. Where the facility owner does not permit paint or other semi-permanent markings, field lines may be temporarily marked using disc cones. The field inventory provided to the game scheduler should clearly identify field and goal dimensions. To the extent possible, 9v9 matches will be scheduled on appropriately sized fields where appropriately sized goals are available.]

9v9 Field Diagram

[From US Soccer Player Development Initiatives]

(6) Heading Limitations

- In the U11 and U12 age groups (all 9v9 games) a player may not use his/her head to play the ball.
- The infraction consists in intentionally playing the ball with the head. If the referee determines that the ball struck a player in the head when the player is not trying to play the ball, the referee will allow play to continue.
- The penalty for playing the ball using the head is an indirect free kick at the spot of the infraction.
- If the infraction is committed within the goal area, the indirect free kick will be taken from the goal area line parallel to the end line at the nearest point to where the infraction occurred.

(7) Player's Equipment

- All players on the field must wear matching uniforms (except the goalkeeper) to the satisfaction of the referee. The goalkeeper's uniform must be a different color from that of the opposing keeper, all other players on the field, and the referee. All players, including the goalkeeper, must wear jerseys with numbers on the back. Duplicate numbers are not allowed.
 - Any material on/covering the socks must be the same color as the part of the sock it covers (this applies to all material and not just tape).
 - Undershorts/tights must be the same color as either the main color of the shorts or the lowest edge/bottom (hem); the team must wear the same color.
- Each team must have an alternate color of numbered jerseys. Home team listed first in the schedule will wear light colored jerseys and socks. Visiting team listed second will wear dark colored jersey and socks. In cases of uniform color similarity, the home team will change.
- A player may not wear or use any equipment that is dangerous to himself or another player.
 - The referee's decision regarding dangerous equipment is conclusive, although lightweight, padded protective equipment should generally be allowed per FIFA Law 4.
 - The referee may withdraw approval for a player to participate while wearing a cast or other protective equipment if the referee finds that the protective equipment is being used in a way that endangers the safety of any players.
- No jewelry is permitted.** Medical alert bracelet/necklaces are not considered jewelry and are allowed, if taped.
- Shin guards, covered by socks, are mandatory in all games. Players not wearing shin guards will not be allowed to play.

B Safety

- A player who is bleeding or has blood on his or her uniform must leave the field and may be substituted at the coach's discretion. A uniform with blood on it must be changed. After bleeding is stopped and the wound is covered the player may return to the game when beckoned onto the field by the referee.

Oregon Presidents Cup Rules of Competition

- (2) A player who demonstrates signs of concussion as a result of an observed or suspected blow to the head or body must leave the field and may not return to play in that match unless an athletic trainer registered by the Oregon Board of Athletic Trainers determines that the player has not suffered a concussion.
 - (a) Except for games taking place at a venue where the tournament provides an athletic trainer or physician, a referee will accept the determination of a certified athletic trainer only if the trainer has identified himself or herself to the referee prior to the match and has shown the referee a current Athletic Trainer registration identification card.
 - (b) If a coach returns a player without approved clearance, the referee will end the game.
 - (c) Referees will include in their match report information about any player required to leave the field because of a suspected concussion. A player who has been removed from a game by a referee because of a suspected concussion is ineligible to play until the league director has received a copy of a medical release signed by a health care professional that authorizes an unrestricted return to competition.
- (3) Coaches should be aware that SB 721, enrolled as [2013 Oregon Laws Chapter 489](#), and codified as ORS 417.875, became effective January 1, 2014 and applies to all competitions sanctioned by OYSA. If a player exhibits signs of concussion following an observed or suspected blow to the head or body, a coach is prohibited from allowing that player to participate in any competition (including practices) until the player has been cleared to return to play by a health care professional.
- (4) Camera drones may be in the vicinity of the field only if permitted by the facility owner. When drones are allowed, they may not be directly above the field, teams, or spectators and must be kept at least 50 feet away from teams and spectators.
- (5) Lightning Safety
 - (a) If lightning is seen or thunder is heard, play must be immediately suspended.
 - (b) Participants and spectators should immediately move to a safe location, in a substantial building or a hard-topped metal vehicle.
 - (c) Wait 30 minutes after last seeing lightning or hearing thunder to restart the match.
 - (d) See the National Weather Service website at <http://www.nws.noaa.gov/om/lightning/sports.shtml> for more information about lightning safety.
- (6) Heat Safety
 - (a) When Wet Bulb Globe Temperature (WBGT) equals or exceeds 89.6F, the referee will pause the game for a hydration break in each half of the match.
 - (i) WBGT may be measured directly using an instrument designed for that purpose,
 - (ii) WBGT may be approximated for the area of the field using a cell phone application (e.g. WeatherFX), or
 - (iii) WBGT may be estimated from the US Soccer Heat Guidelines available from the Recognize to Recover site at <http://www.recognizetorecover.org/s/1609024-Heat-Guidelines.pdf>.
 - (b) The coaches of both teams should consult with the referee to determine whether the temperature at game time will require hydration breaks
 - (c) The referee will add time to the end of each half to account for the time allowed for hydration breaks.

C Field Preparation

- (1) The home team's club and the home team are responsible for field preparation, which includes mowing, lining, goal and net set-up, and corner flags. All goals, including portable goals, must be securely anchored to the ground. Teams playing home games on synthetic turf fields should make arrangements to provide corner flags suitable for use on such fields. The referee may permit cones or other alternative corner markers on synthetic turf fields when corner flags are not available.
- (2) For tournament rounds played at a venue hosting multiple matches, OYSA will arrange with the venue for field preparation. Semifinals and Finals will be venue based. Other rounds **may** be venue based.
- (3) Any complaints about the field must be made to the referee and the opposing coach **before the match begins**. The referee will make the final decision whether the field is playable. See [Rule V\(3\)](#) for procedures to submit a protest.

Oregon Presidents Cup Rules of Competition

- (a) If the field is determined to be unplayable, call the tournament emergency contact number and so indicate and then NO game should be played. If the game was not played then it will be rescheduled as determined by the tournament director and game scheduler, subject to field availability. Their re-scheduling of the game is final.
- (b) If a game is played, then the coaches have agreed the field is playable. If a game is played, the game's outcome will stand.

[NOTE: Games are played on artificial and natural turf. All players must be prepared to play on either surface independent of schedule. The Portland Timbers and OYSA reserve the right to switch the game location due to adverse field conditions, scheduling conflicts or field access changes.]

D Game Start Time & Interruptions

- (1) Teams are expected to play games at the scheduled time and location. Referees must complete the player/coach credential check-in process (with valid member passes and official roster) prior to each scheduled game.
- (2) A referee will wait for 15 minutes after the scheduled start time for one or more of the teams to complete pre-game check-in (provide cards and/or rosters or the minimum number of players required to begin the match). Before abandoning the match and for any other emergency situations, the referee and/or the coaches must call the tournament emergency number for guidance.
- (3) If a game cannot be started on time, must be temporarily suspended for safety issues (such as lightning or other severe weather conditions), or cannot be completed as scheduled due to safety concerns or other issues:
 - (a) The referee and/or a team official must call the tournament emergency number for guidance.
 - (b) If the first half of a match has been completed, the match will be considered completed and the score at the time the match is stopped will be final.
 - (c) Games that are not played or have completed less than one half of play will be rescheduled, if possible.
- (4) Unplayable or unusable field - If the scheduled field is declared to be unplayable by the referee or cannot be used for any other reason:
 - (a) Move the game to another field if one is available.
 - (b) If no alternate field is available, both teams and the referee must call the tournament's emergency number and the game scheduler (see page 1) and inform the tournament director that the game was not played. The game will be rescheduled, if possible.
- (5) Missing Officials
 - (a) If no assigned referee appears at the scheduled field by fifteen minutes before the scheduled game start time, call the tournament's referee emergency number (see page 1) to advise that a referee is not present and request guidance.
 - (b) If the game cannot be played, the game will be rescheduled, if at all possible.

E Team Sidelines

- (1) Except where field conditions prevent, both teams must be on one side of the field and ALL spectators must be on the opposite side of the field. Spectators may, with the permission of the referee, be located on the same side of the field when the game field has bleachers or grandstands that physically separate spectators from the teams. If space permits, spectators must remain at least six feet behind the touchline and at least eighteen yards from the corners of the field. Coaches, players and spectators are not allowed behind the end line.
- (2) Each coach, substitute, or other team personnel not involved in active play is to remain within the team area two (2) yards behind the touch line, five (5) yards from the center line, and eighteen (18) yards from the corner of the field. When there are team benches at the field site, the team area is 5 yards behind and on either side of the bench, and extends forward up to two yards from the touch line.
- (3) A "team" consists only of those players, coaches and team officials listed on the official OYSA Presidents Cup tournament roster.
- (4) A player listed on the match roster who is ineligible to play in a match may be permitted in the team area ONLY if the player is NOT wearing the team uniform. Team warmups are considered part of the team's uniform.

Oregon Presidents Cup Rules of Competition

- (5) A coach or other club official who is not listed on a team's match roster may be on the team sidelines, provided that the non-rostered adult checks in and shows a valid member pass from the team's club to the referee.
- (6) No more than 4 adults are permitted in the team area, except in the event of an emergency, at the discretion of the referee, to provide assistance to an ill or injured player or team official.

F Minimum number of Participants

- (1) A team playing a 9v9 match must have at least six (6) players who are listed on the match roster and one eligible adult to start a match.
- (2) A team playing an 11v11 match must have at least seven (7) players who are listed on the match roster and one eligible adult to start a match.
- (3) An eligible adult is:
 - (a) listed on the roster and has a valid member pass for the team, or
 - (b) has with them a valid member pass from the same club as the team.
- (4) If a team is unable to maintain the minimum number of players on the field after a match has been started, the match will be abandoned.
 - (a) A match abandoned for too few players will stand as a completed game if the teams have completed at least one full half. The game will be scored as follows:
 - (i) If the team with too few players has fewer goals at the time of abandonment, the score at abandonment will be the final score of the match.
 - (ii) If the team with too few players is leading at the time of abandonment, the game will be scored as a forfeit by the team with too few players.
 - (b) If a match is abandoned because of too few players before the first half is complete, the game will be scored as a forfeit by the team that has too few players.
 - (c) If a match is abandoned because a team does not have an eligible adult on the team sideline, the game will be a forfeit by the team without an eligible adult.

G Match Rosters

Each team must submit an official match roster to the referee prior to each game.

- (1) The match roster given to the referee at the team check-in must list every person who will play in the match and all adults who will be present on the team sideline, except for a "guest" coach as provided in [Rule E\(5\)](#)
- (2) The roster for Presidents Cup is frozen on the date set by OYSA. **No club pass (borrowed) players are permitted on the roster.**
- (3) The roster used to check in teams for a match may be either a printed roster or a digital roster.
 - (a) The official printed roster is generated from Affinity. It is unique for each match in the competition and shows the game time, date, and location as well as the rosters of both teams.
 - (i) The jersey numbers of all players who will play in the match must be printed on the match roster.
 - (ii) Unless otherwise approved by the tournament director, printed player cards are required when a printed roster is used.
 - (b) A digital roster may be used at the referee's discretion.
 - (i) The digital roster as displayed for the referee in the Affinity online software shows the date, time, and location of the match and displays the rosters of both teams.
 - (ii) The digital roster may only be used if pictures of all of a team's players and coaches have been uploaded in Affinity.
 - (iii) Jersey numbers must have been set in Affinity so they will display on the digital roster.
- (4) **Maximum Numbers on Match Roster**
 - (a) Teams playing 9v9 may have a maximum of 16 eligible players and 4 coaches or other team officials listed on the match roster.

Oregon Presidents Cup Rules of Competition

- (b) Teams playing 11v11 may have a maximum of 18 eligible players and 4 coaches or other team officials listed on the match roster.
- (c) When a team's printed roster shows more players than are allowed to play in a match, the team must indicate which players will not play by drawing a line through those players' names before the match roster is given to the referee for check-in.
- (d) When a team's digital roster shows more players than are allowed to play in a match, the team must indicate which players will not play by de-activating players who will not participate before the referee checks in the team.

H Member Passes

Each team must provide a member pass for the current seasonal year to the referee for each player, coach, or other team official who will be in the team area during the match.

- (1) Printed member pass requirements
 - (a) Each printed member pass must:
 - (i) show the US Youth Soccer logo as a watermark,
 - (ii) show Oregon Youth Soccer as the State Association,
 - (iii) show the club name matching the club name on the roster,
 - (iv) show the expiration date as the end of the current seasonal year,
 - (v) have a photo of the player or team official, and
 - (vi) be laminated.
 - (b) Only original member passes may be used.
 - (c) The signature of the person named on the card is not required.
- (2) Digital Member Passes
 - (a) When the referee uses a digital roster to check-in a team, the software will display a digital member pass for each player and rostered team official.
 - (b) The digital pass must have a picture of the player or team official.
 - (c) The digital pass must have the jersey number of the player.

I Check-in Procedures

- (1) The referee is responsible for verifying that a member pass is presented for each person whose name appears on the match roster, including coaches and other team officials.
 - (a) When a team presents a printed roster and printed player cards, the referee will make a visible check mark next to the name of every player or team official who has completed checking in for the match and make sure that a line is drawn through the name of any person listed on the roster who will not participate in the match.
 - (b) When a referee uses a digital roster for check-in, the referee will mark participating players and team officials in the software.
 - (c) If the referee obtains approval from the tournament director, the referee may use digital player cards presented by a team to check-in a team on a printed roster.
- (2) A player who is not present for pre-game check-in (*i.e.*, arrives late) may participate, provided that:
 - (a) the player's name is on the roster given to the referee at check-in,
 - (b) the player's name was not marked as not playing, and
 - (c) the player checks in with the referee by:
 - (i) identifying their name on the match roster, and either
 - (ii) identifies their digital player card, or
 - (iii) provides the referee with their printed member pass before participating in the match.
 - (d) Player names may not be added to a roster after the match begins.
- (3) **No roster, no cards, no game - except as follows:**
 - (a) The referee has access to both team's rosters when using a digital roster for check-in. Only players whose digital card includes the player's picture and jersey number may participate.
 - (b) When digital roster check-in is not used, the official match roster printed from Affinity lists both teams. If one of the teams does not have a printed match roster for the match, but the other team does, the referee may use the single copy of the printed match roster to check in both teams. The referee should note in the match report which team did not present an official match roster.

Oregon Presidents Cup Rules of Competition

- (c) Even though a single printed roster may be used to check-in teams, all players, coaches, and other teams officials who will participate in the match MUST present a valid member pass to the referee.
- (d) Before abandoning a match because of missing cards or rosters, the referee must call the tournament's emergency number (see page 1) for guidance.

J Responsibilities of Coaches and Team Personnel

- (1) The coach in charge of a team is responsible for the conduct of the team's spectators, team officials, and players. The coach in charge of the team may be warned or expelled for failing to control the conduct of the team's spectators, team officials, or players.
 - (a) The referee may require the coach to take action to remove or control the behavior of spectators whose words or actions interfere with the referees or the orderly conduct of the match.

- (5) No coach, team official, substitute, or player is to incite, in any manner, disruptive behavior of any kind.
- (6) Coaches, other team officials, and spectators may be expelled for engaging in irresponsible behavior. What behavior is irresponsible depends on the judgment of the referee in the context of the match. The following are examples of some of the behaviors that are considered irresponsible and may result in dismissal from the match:
 - (a) Throwing objects in protest of referee calls or in response to occurrences on the field.

 - (c) A coach or other team official is expelled from the match when the referee tells the person to leave the team area.

Oregon Presidents Cup Rules of Competition

- (d) If the offending party refuses to leave the playing area, or returns after leaving, the referee may abandon the match and include the details of the game abandonment in the written match report. See [Rule S\(4\)](#) for penalties resulting from a game abandonment.
- (8) The referee will include information about any warnings or expulsions in the referee's written match report.
- (9) Players, substitutes, or substituted players engaging in irresponsible conduct will be cautioned or sent off by the referee in accordance with the Laws of the Game.

- (3) Effect of sending off or expulsion
 - (a) A player who has been sent off may remain on the team sidelines under the supervision of a team official unless removed by the referee for continued irresponsible behavior.
 - (i) A sent-off player must remove or cover their team jersey to the satisfaction of the referee to clearly indicate their ineligibility to participate further in the match.
 - (ii) If a player is removed from the bench area, they will be escorted from the team area by a rostered team official who will remain with the player for the duration of the match. During venue based matches, the player and team official may be directed to remain in a waiting area designated by tournament officials.
 - (b) A coach or other team official who has been expelled must leave the game field and must remain out of sight of the game until the match is completed.

 - (iv) Fax or email are preferred.

Oregon Presidents Cup Rules of Competition

M Score Reporting

- (1) Teams are required to enter their scores into the Affinity Game System as soon as possible after the game ends. Any coach or team manager listed on the team roster may enter scores. Both teams should enter the score so that any discrepancies can be determined in a timely manner.
- (2) Instructions for entering scores are available on the Leagues page of the OYSA website at <http://www.oregonyouthsoccer.org/home.php?layout=817309>
- (3) If there is a conflict in the entered scores, the final score will be entered by the tournament director based on the score reported by the referee.
- (4) Teams should not enter red/yellow card information. Disciplinary items will either be entered by referees or by the tournament director from referee reports. See [Rule V\(4\)](#) for information about appeals.

N Scoring Method, Tie-Breakers, and Wildcards

- (1) **Bracket Play.** The standings of teams during bracket play are based upon the number of points earned in bracket play matches. Teams earn points as follows:
 - (a) 3 Points for a Win (Forfeits are considered a 3-0 victory)
 - (b) 1 Point for a Tie
 - (c) 0 Points for a Loss
- (2) **Abandoned Games in Bracket Play - Scoring**
 - (a) If the referee abandons a game without fault by either team, and a reschedule is determined to not be possible, the game will be scored as follows:
 - (i) the score of a game abandoned following the end of the first half will be the score at the time of abandonment.
 - (ii) the score of a match abandoned during the first half will be entered as a 0-0 draw.
 - (b) If the referee abandons a game because of the improper behavior of a coach, players, spectators, or any combination thereof, **the match will NOT be rescheduled.**
 - (i) If both teams are at fault, the game will be scored as a forfeit by both teams so that neither team receives any points from the match in the standings.
 - (ii) If only one team is at fault, the score will be entered as a forfeit by the team at fault.
 - (iii) See [Rule S\(6\)](#) for fines imposed because of the abandonment.
- (3) **Tie Breaking Criteria.** Except when advancing wildcards from unequal brackets, [rule N\(5\)\(c\)](#), standings within a bracket or advancement from the bracket will be determined by applying the criteria below. See [rule N\(4\)\(b\)](#) for ties among 3 or more teams and [rule N\(5\)\(b\)](#) for advancing wildcards from equal brackets.
 - (a) Winner in head-to-head competition
 - (b) Most games won
 - (c) Highest goal difference (goals for minus goals against) with a maximum of four (4) goals difference per game counted both for and against
 - (d) Total goals allowed
 - (e) Total goals scored
 - (f) Most shutouts
 - (g) Kicks from the Mark as stated in [Rule A\(3\)\(a\)](#)
 - (i) When a game in bracket play ends in a tie, FIFA Kicks from the Penalty Mark will take place and the results will be reported separately from the tie score.
 - (ii) **The results of the FIFA Kicks from the Penalty Mark in bracket games will only be used if two teams remain tied in their brackets after all other tie breakers have been applied.**
- (4) **Breaking Ties in Bracket Play Within a Bracket.**
 - (a) If 2 teams are tied in points at the conclusion of bracket play, team placement or advancement will be determined by applying the criteria in [Rule N\(3\)](#), in the order listed, beginning with N(3)(a).
 - (i) The tie is broken when the first of the tie breakers in [Rule N\(3\)](#) distinguishes between the two teams.

Oregon Presidents Cup Rules of Competition

- (ii) Results of Kicks from the penalty mark as provided in Rule N(3)(g) will only be used if the 2 teams have played each other and none of the tie breakers in N(3)(a)-N(3)(f) have differentiated the teams.
 - (b) If 3 or more teams are tied in points at the conclusion of bracket play, team placement or advancement will be determined by applying the criteria in [Rule N\(3\)](#), in the order listed, beginning with N(3)(b), but not including N(3)(g).
 - (i) The tie is broken when the first of the specified tie breakers distinguishes among the teams.
 - (ii) If only one of the tied teams is either advanced or eliminated, the standings of the remaining teams is determined by applying the tie breakers to the remaining teams beginning again with N(3)(b), but not including N(3)(g).
 - (iii) If two teams remain tied after applying all the tie breakers in N(3)(b)-N(3)(f), and the two teams have played each other, the two team results will be compared using N(3)(a) and N(3)(g).
- (5) **Wildcard Advancement — Comparing Teams Across Brackets**
- (a) When the tournament format for a particular age group requires advancing an unequal number of teams (wildcards) from each bracket (e.g., best 2nd place team or top two 2nd place teams) teams in different brackets will be compared to each other using criteria that are applied the same way to all teams in the group being compared.
 - (i) **Wildcards are always drawn from the same level in each bracket.**
 - (A) When the format is the top team and NN wildcards, only the teams finishing 2nd in each bracket will be compared for wildcard advancement.
 - (B) When the format is the top 2 teams and NN wildcards, only the teams finishing 3rd in each bracket will be compared for wildcard advancement.
 - (ii) When all brackets have the same number of teams, results within brackets can be directly compared as specified in N(5)(b).
 - (iii) When brackets do not have equal numbers of teams, results within brackets cannot be directly compared because teams will not have played the same number of games. The method of comparing teams between brackets with unequal numbers of teams is specified in N(5)(c).
 - (b) **Equal Brackets.** When all brackets have the same number of teams playing the same number of games, the first criterion for advancing teams is the number of points earned. If there is a tie in the number of points, the tie will be broken by applying the criteria from N(3)(b) through N(3)(f), in the order shown. The criteria will be applied until the teams have been sorted. If a tiebreaker only sorts some of the tied teams, the teams remaining tied will be compared by restarting the tie breaker comparison with N(3)(b) until all slots in the next round have been filled.
 - (c) **Unequal Brackets.** When not all brackets have the same number of teams and a comparison is made across brackets, the teams will be compared using the following criteria in the order shown:
 - (i) Average points per game — determined by dividing a team's total points earned in bracket play by the number of games the team has played.
 - (ii) Average goal difference — determined by dividing a team's total goal difference (using a maximum of four (4) goals difference per game counted both for and against) by the number of games a team has played. (E.g., team A plays 3 games with a +3, +2, and -1 goal difference in each game. The total goal difference is +4. The average goal difference is $4/3 = 1.33$. Team B plays 2 games with a goal difference of +3 and 0 for a total goal difference of +3. The average goal difference for team B is $3/2 = 1.5$. In a comparison between A and B, team B would advance based on a superior average goal difference.)
 - (iii) Average goals allowed — determined by dividing the total number of goals allowed by the number of games played.
 - (iv) Average goals scored — determined by dividing the total number of goals scored by the number of games played.
 - (v) The criteria in this section N(5)(c) will be applied until the tied teams have been sorted. If a tiebreaker only sorts some of the tied teams, the teams remaining tied will be compared by restarting the tie breaker comparison with N(5)(c)(i) until all slots in the next round have been filled.
 - (d) **Wildcard Placement.** Wildcard teams will be ranked based on points earned in bracket play and the application of tiebreakers as required. Wildcard teams will be seeded into knockout matchups based on their rank, except that **no team will be matched against a team it has already played in its preliminary bracket.**
- (6) **Coin Toss.** If all the tie breakers and team comparisons specified in N(4), N(5)(b), or N(5)(c), as appropriate, have been applied and a tie remains, any remaining ties will be determined by a coin toss conducted by the tournament

Oregon Presidents Cup Rules of Competition

director. In any coin toss the higher seeded team will select heads or tails before the tournament director tosses the coin.

(7) **Breaking Ties in Knockout Rounds.**

- (a) When a game other than a semifinal or final ends in a tie, and the tournament format requires that a winner be determined for that match (e.g., a quarter final match), the winner will be determined by Kicks from the Penalty Mark in accordance with FIFA Laws of the Game. No overtime will be played
- (b) When a semifinal or Final match is tied at the conclusion of the regulation period
 - (i) Teams will play two equal overtime periods (see [Rule A\(2\)](#)).
 - (ii) Matches which remain tied after the overtime will be determined by FIFA Kicks from the Penalty Mark.
