Step Two - Download

Download the Mobile app by clicking [here](#)

Step Three - Credentials

Log in using your current Affinity username and password.

PRE-GAME

Step One - Check in

Referee makes decision how to check teams in. There are three choices:

1. Both teams bring a paper roster and player/coach cards
2. One team brings a paper roster (with both teams listed)
3. Everyone uses a digital roster

Note: Referees need to submit a paper roster EVERY time a player is hand written in.

POST-GAME

Step One

You have the ability to check the scores via the app once the game is done and the referee has entered the score.
