Teams failing to compete in the spirit of the competition or are involved in the manipulation of a match result are subject to forfeiture and disqualification from all levels of the National Presidents Cup competitions.

- If failing to compete is observed and confirmed, the competition authority representative will give notice to the offending team or teams.
- If corrective action is not taken, the team or teams will be subject to disqualification.

RULE 107 ADMINISTRATION

Section 1 There shall be a National Presidents Cup Committee. The Committee is responsible for the entire administration of the National Presidents Cup competitions, subject to review by the Board of Directors.

Section 2 The National Presidents Cup Committee reserves the right to make all decisions concerning the National Presidents Cup competitions, keeping in mind the best interests of US Youth Soccer, the US Youth Soccer National Presidents Cup, and the safety and welfare of the players, coaches, administrators, and spectators.

Section 3 Unless otherwise provided in this policy, the decisions of the National Presidents Cup Committee are final.

RULE 201 DISCIPLINE

Section 1 Players ejected or team officials dismissed from a match shall be automatically suspended for the next match. No substitution shall be permitted for a player who has been sent off during a match. The event Presidents Cup Committee will review all such dismissals and may impose additional penalties, suspensions or other punishment depending on the circumstances and severity of the infraction.

Section 2 Players ejected from a match may continue to sit in the technical/bench area unless removed by the referee for inappropriate behavior after they have been ejected.

Section 3 If a player is removed from the technical/bench area they must be accompanied by a credentialed team official. An event Presidents Cup Committee member, Competition Official or Team/State Representative will escort the player and team official to a waiting area.

Section 4 Players who are serving a disciplinary suspension may sit on the team bench while dressed in street clothes and will be held responsible for their actions the same as any other participant. If additional disciplinary situations occur in which a suspended player is involved, the event Presidents Cup Committee will impose additional penalties, suspensions or other punishment to be served either during the event or the following season of play.

Section 5 Any team official dismissed must leave the vicinity of the field before the match will be restarted. The team official may not have any contact with the team until the referees have left the field after the match.

Section 6 Team officials serving a disciplinary suspension may attend team activities during the suspension as a spectator only. No communication with players or team management is permitted during the suspension. A dismissed team official that is rostered to more than one team in the competition shall serve their suspension during scheduled match(es) of the team with which the ejection occurred. Any violations will result in additional sanctions being imposed by the event Presidents Cup Committee, including but not limited to, additional suspensions and/or recommendations to the State Association.

Section 7 If a player or team official is dismissed from their team's last match, the event Presidents Cup Committee will impose sanctions to be served at the next level of National Presidents Cup competitions or during the following season of play.

Section 9 Any player or team official who refuses the referee's request for their name, or gives a false name, while the referee is gathering data to report an infringement of the Laws of the Game, shall have a minimum of one (1) match added to the suspension that would normally be levied by the event Presidents Cup Committee.

Member passes will be verified against the official event roster before the start of the competition. At each match, team member passes must be provided to the referee. If unusual or extenuating circumstances exist, and in order to ensure the orderly progression of the competition, electronic member passes may be utilized if approved by the Chair of the event Presidents Cup Committee or a designee. Printed member passes must be provided as soon as practical.

RULE 204 SUBSTITUTIONS

Substitutions shall be unlimited and can be made with the consent of the referee during any stoppage of play, except Penalty Kicks. Substitutes must be waiting at the half line when the referee calls for the substitution. Substituted players must leave the field of play at the half line near their team bench.

RULE 205 MATCH BALLS

The event Presidents Cup Committee will supply match balls. In the unlikely event that match balls cannot be provided, the referee will make a choice from balls offered by both teams. 12U matches will be played with a size 4 ball. All other matches will be played with a size 5 ball.

RULE 206 FORFEITS

Section 1 During group play, a team must forfeit any match where they fall below the required minimum number of players. Subsequent matches will not be automatically forfeited.

Section 2 A team forfeiting a match for any other reason will result in **all** of their group matches being declared a forfeit.

Section 3 Forfeited matches will be reported as a 4-0 loss for scoring purposes. In circumstances where forfeited matches are involved in the determination of team advancement (i.e. tie breakers), all tie breaking criteria involving goal differential or fewest goals allowed for all teams involved will be determined on a per match average to the nearest tenth of a point, excluding the results of the forfeited match.

Section 4 During knockout rounds, a team forfeiting a match will result in the opponent advancing.

RULE 207 SCORING METHOD

Ties at the end of regulation time in group play will stand. Team standings are determined by the accumulation of points in qualifying matches. Teams earn points as follows: Three (3) points for a win (including forfeits, which are considered a 4-0 win), One (1) point for a tie and Zero (0) points for a loss.

RULE 208 TIE BREAKERS

In the event teams are tied based on points earned, each team's placement will be determined in accordance with the following sequential criteria:

1. Winner in head-to-head competition (this criterion is not used if more than two teams are tied).
2. Winner of most games. The team with the most wins advances.
3. Highest goal difference (goals scored minus goals against) with a maximum differential of four (4) goals difference per match.
4. Fewest goals allowed. The team with the fewest total goals allowed advances.
5. Kicks from the Penalty Mark.
6. If, in the opinion of the event Presidents Cup Committee, additional steps are required to ensure the safe conclusion of the competition are needed, those decisions will be communicated to all affected teams before they are implemented.

Section 1 If more than two (2) teams are tied, the sequence above will be followed until a team is eliminated/advanced. The remaining teams will then restart the sequence at tiebreaker criteria 2 above until the tie is broken. In a situation where three teams remain tied, a draw between tied teams will be conducted by the event Presidents Cup Committee to determine an order of contest between tied teams. The first team drawn will receive the bye; the next team drawn will be the home team against the remaining team in the first round of Kicks from the Penalty Mark. The winner of the first contest will then compete against the bye team in Kicks from the Penalty Mark to determine a winner. The bye team will be the home team.

Eleven (11) players on the frozen event roster will be selected by a credentialed team official to participate, and a referee will be assigned to break the tie on a field assigned by the event Presidents Cup Committee.

Players ejected in the second or third match in a National Presidents Cup Competitions, or not listed on the game roster of the third match are not eligible to participate in Kicks from the Penalty Mark to determine a winner.

Section 2 Ties at the end of regulation time in group play will stand. Ties at the end of regulation time in quarter-final (if played), semi-final and/or final matches will be determined first by the completion of two (2) equal overtime periods as outlined above. There is no "Golden Goal" in any overtime period. If a match remains tied at the conclusion of both overtime periods the winner will be determined by Kicks from the Penalty Mark utilizing the players on the field at the conclusion of the second overtime period.

Section 3 If the score of a third-place match (if played) is tied at the end of regulation time, no overtime periods will be played, and the winner will be determined by Kicks from the Penalty Mark.

An example of inappropriate mark or name would be, but is not limited to, tobacco products or alcoholic beverages. The match may be forfeited if a team is not at the match field and prepared to play after the grace period expires. The spectator area is behind the line marked 3-yards beyond the touchline and extends from a point 3-yards from the center line down to the corner flag. Spectators must remain in this area, in the half of the field directly across from their team's bench, subject to the following exception.

Section 3 It is expected that respect for the game and players will prevail if a **limited number** of spectators wish to **quietly** observe the match in the **far end** of the opposing spectator section (for example, the Goalkeeper's parents). In the event of disruptive behavior by these spectators, a referee or competition official may require them to return to their designated area and restrict any further sideline movement of spectators.

Section 4 Technical instruction from any part of the spectator area, or provocative or unsportsmanlike behavior by any spectator may result in their removal from the complex. Any spectator asked to leave by a referee or competition official must immediately depart the field area and remain out of sight and sound of the match until the teams have departed the field of play and are no longer the responsibility of the referee.

Section 5 Whistles, air horns, megaphones, artificial noisemakers and/or similar devices are prohibited at all National Presidents Cup competitions. Air horns are for use solely by competition officials to signal when fields must be cleared due to inclement or dangerous weather conditions.

- 2) If the match is tied at the conclusion of regulation playing time, the match will go immediately to Kicks from the Penalty Mark.
