Size shown for U5/6 player, adjust for age.

Kick-ins or dribble-in, player furthest back acts as the goalkeeper

No corner kicks, restarts with ball in goalkeeping area in goalkeeper's hands

Kids want time and space to make decisions, make smaller after they get comfortable

Kids want to score goals, bigger goals equals more goals, more goals equals more fun

NOTES: Only shows 1 field, but create as many fields as needed and figure out how to rotate players. Kings Court, Point per player, Random, etc.
