

## OYSA Futsal League Operational Update

OYSA Futsal League Parents,

Thank you for your dedication last weekend to following the policies and protocols that apply to you and your player in our league.

### OYSA Futsal League Operations – Updated 11/11/20.

Please read the **updated [OYSA Futsal League Operational Plan](#)** found on the [OYSA Return to Play Information](#) page. The Operational Plan has been updated in light of Gov. Brown's and the Oregon Health Authority's "Two-Week Pause" for 11/11/20 – 11/25/20.

**Please understand that failure to adhere to these responsibilities may result in your team being removed from the league and an accompanying forfeiture of the league entry fee.**

### Updates to Operational Plan:

- **NO spectators are allowed to attend matches during the weekends of Nov. 13-15 and Nov. 20-22**, in order to comply with the Gov. Brown's and OHA's "Two Week Pause" for Nov. 11 – Nov. 25 that applies to indoor capacity limits of the league.
- **For the Nov. 13-15 and Nov. 20-22 weekends, one parent per team, wearing a face covering, may enter the facility to livestream the match** to their respective team's parents. Your facility may also already have a livestream set up.

### Other Important Reminders:

- Reference the [field map](#) of the facility your child is playing at (see pgs. 3-5) for your game to review all facility rules for drop-offs and entrances and exits.
  - **As a parent, you are responsible for ensuring your child enters the facility.**
  - **Your team's coach is responsible for staying with the team outside the facility after the match until every player has been picked up by their parent.**
- Arrive to the facility no earlier than 10 minutes prior to kickoff.
- If your player is feeling unwell, or has been in contact with someone suspected of or confirmed having COVID-19, inform your coach and do not attend the match.
- Check your child's temperature prior to the game – it must be below 100.4 F to participate. Your player will need to report their temperature to their coach before their game starts.

### Reminders for your player:

- **Face coverings are required at all times:** prior to, during, and after the match.
  - They must be worn over the nose and mouth. Face shields are not allowed to be used, in the interest of player safety.
- If your face covering falls down during game play, pull it up as soon as possible.
- Bring an extra face covering in case your face covering breaks or becomes too wet.
- Do not enter the facility until you are given clearance to by the facility staff.

Please contact your coach, club Director of Coaching, or myself ([eric@oregonyouthsoccer.org](mailto:eric@oregonyouthsoccer.org)) with any questions!
