League Management Information

The Oregon Youth Soccer Developmental League is sanctioned by Oregon Youth Soccer Association (OYSA). The leagues are open to teams that have all their players and coaches registered with US Youth Soccer through either OYSA or Washington Youth Soccer Association (WYS) in accordance with the registration rules of US Youth Soccer (USYS) and their home state association.

The Developmental League is managed by OYSA in accordance with the bylaws and policies of OYSA, US Youth Soccer (USYS), and the US Soccer Federation (USSF). The League Director has operational and disciplinary authority in accordance with these rules over all participants in these leagues for the duration of the league season. All OYSA registered participants are subject to the disciplinary authority of OYSA and USSF for matters that warrant disciplinary actions that extend beyond the end of a league season.

WYS registered participants are subject to the disciplinary authority of WYS and the USSF for matters that warrant disciplinary actions that extend beyond the end of a league season.

Match play in these leagues is governed by the IFAB Laws of the Game as modified in these rules. These rules incorporate changes to the Laws to comply with the recommendations of the US Soccer Federation's Player Development and Player Safety Initiatives that have been adopted by OYSA. All league games are officiated by USSF certified referees assigned by a USSF certified referee assignor, except for emergency situations as allowed in these rules.

Consumption or possession of alcohol, tobacco, nicotine, and marijuana products are strictly prohibited at all Oregon Youth Soccer matches.

The U8-U10 Developmental League is classified as developmental. This league is intended to foster the development of individual players within a team structure.

After the bleeding is stopped and the wound is covered, the player may return to the game when beckoned onto the field by the referee.

(2) Possible Head Injuries

- (a) A player who demonstrates signs of concussion as a result of an observed or suspected blow to the head or body must leave the field and may not return to play in that match unless an athletic trainer registered by the Oregon Board of Athletic Trainers or licensed medical professional determines that the player has not suffered a concussion.
- (b) A referee will accept the determination of a certified athletic trainer only if the trainer has identified himself or herself to the referee prior to the match and has shown the referee a current Athletic Trainer registration identification card.
- (c) If a coach returns a player without approved clearance, the referee will end the game.
- (d) Referees will include in their match report information about any player required to leave the field because of a suspected concussion. A player who has been removed from a match by a referee because of a suspected concussion is ineligible to play until the League Director has received a copy of a medical release signed by a health care professional that authorizes an unrestricted return to competition.
- (e) Coaches should be aware that ORS 417.875, effective January 1, 2014, and amended April 13, 2018 applies to all competitions sanctioned by OYSA. Unless an athletic trainer registered by the Oregon Board of Athletic Trainers or a licensed physician pursuant to ORS 677.100 to 677.228 determines that a player has not suffered a possible head injury, a coach is prohibited from allowing a player who exhibits signs of concussion following an observed or suspected blow to the head or body to participate in any competition, including practice, until the player has been cleared to return to play by a qualified health care professional.

(3) Camera Drones

- (a) Camera drones may be in the vicinity of the field only if permitted by the facility owner. When drones are allowed, they may not be directly above the field, teams, or spectators and must be kept at least 50 feet away from teams and spectators.

- (b) Participants and spectators should immediately move to a safe location, in a substantial building or a hard-topped metal vehicle.

(5) Heat

- (a) When Wet Bulb Globe Temperature (WBGT) equals or exceeds 89.6F, the referee will pause the game for a hydration break in each half of the match.
 - (i) WBGT may be measured directly using an instrument designed for that purpose.
 - (ii) WBGT may be approximated for the area of the field using a cell phone application (e.g. WeatherFX).
 - (iii) WBGT may be estimated from the US Soccer Heat Guidelines available from the Recognize to Recover site at <http://www.recognizetorecover.org/s/Heat-Guidelines.pdf>.
- (b) The coaches of both teams should consult with the referee to determine whether

Oregon Youth Soccer Developmental League Rules - U8-U10

the temperature at game time will require hydration breaks.

- (c) The referee will add time to the end of each half to account for the time allowed for hydration breaks.

(6) Air Quality

- (a) The OYSA Developmental League will follow the Air Quality Index (AQI) table below, adopted from the Oregon School Activities Association (OSAA).
- (b) The League Director will make final decisions regarding match cancellation(s) due to the AQI and will notify Directors of Coaching/Teams.

Air Quality Index (AQI)	5-3-1 Visibility Index	Required Actions for Outdoor Activities

Move practices indoors, if available. Be aware that, depending on a venue's ventilation system, indoor air quality levels can approach outdoor levels.
