Oregon Futsal Cup Rules:

(A) Safety

(1) Bleeding from Nose, Cuts or Other Abrasions

- (a) A player who is bleeding or has blood on his or her uniform must leave the pitch and may be substituted at the coach's discretion. A uniform with blood on it must be changed. After the bleeding is stopped and the wound is covered, the player may return to the match when beckoned onto the pitch by the referee.

(2) Possible Head Injuries

- (a) A player who demonstrates signs of concussion as a result of an observed or suspected blow to the head or body must leave the pitch and may not return to play in that match unless an athletic trainer registered by the Oregon Board of Athletic Trainers or licensed medical professional determines that the player has not suffered a concussion.
- (b) A referee will accept the determination of a certified athletic trainer only if the trainer has identified himself or herself to the referee prior to the match and has shown the referee a current Athletic Trainer registration identification card.
- (c) If a coach returns a player without approved clearance, the referee will end the match.
- (d) Referees will include in their match report information about any player required to leave the pitch because of a suspected concussion. A player who has been removed from a match by a referee because of a suspected concussion is ineligible to play until the League Director has received a copy of a medical release signed by a health care professional that authorizes an unrestricted return to competition.
- (e) Coaches should be aware that ORS 417.875, effective January 1, 2014, and amended April 13, 2018 applies to all competitions sanctioned by OYSA. Unless an athletic trainer registered by the Oregon Board of Athletic Trainers or a licensed physician pursuant to ORS 677.100 to 677.228 determines that a player has not suffered a possible head injury, a coach is prohibited from allowing a player who exhibits signs of concussion following an observed or suspected blow to the head or body to participate in any competition, including practice, until the player has been cleared to return to play by a qualified health care professional.

- (f) If a player, while correctly taking a kick-in, deliberately kicks the ball at an opponent in order to play the ball again but not in a careless or reckless manner or using excessive force, the referee allows play to continue.

- (d) The goalkeeper takes the goal clearance within four seconds of being ready to do so.
 - (i) If the goal clearance is not taken within four seconds, an indirect free kick is awarded to the opposing team, to be taken from the penalty area line at the place nearest to where the infringement occurred.

2022 Oregon Futsal Cup Rules

(12) Offences Committed by Goalkeepers

- (a) Definition of possession by a goalkeeper:
 - (i) Possession of the ball means that the goalkeeper has control of the ball. The goalkeeper is considered to be in control of the ball by touching it with any part of the body, except if the ball rebounds off the goalkeeper.
- (b) A goalkeeper is not permitted to be in possession of the ball inside his/her own half of the pitch for more than four seconds, whether:
 - (i) with his/her hands or arms (inside his/her penalty area)
 - (ii) with his/her feet (anywhere in his/her own half of the pitch)
- (c) In cases where the goalkeeper is in possession of the ball in their own half of the pitch, the referee must clearly and visibly make the four-second count.
- (d) After playing the ball anywhere on the pitch, the goalkeeper is not permitted to touch it again in his/her own half of the pitch after it has been deliberately played to him/her by a teammate without an opponent playing or touching it.
- (e) The goalkeeper may not touch the ball with his/her hands or arms inside his/her own penalty area after it has been kicked to him/her by a teammate.

- (c) The team taking the kick must deliver the ball within four seconds of being ready to do so.
- (d) If the corner kick is not taken within four seconds, a goal clearance is awarded to the opposing team.

(14) Direct Free Kick

- (a) The referees may allow play to continue by applying the advantage.
 - (i) If the referees apply the advantage for an offence for which a caution/sending-off would have been issued, this caution/sending-off must be issued when the ball is next out of play.
 - (ii) The advantage should not be applied in situations involving serious foul play, violent conduct, a second Cautionable offence or a sixth (or subsequent) accumulated foul, unless there is a clear opportunity to score a goal.
 - (iii) If advantage is applied, the referees will indicate an accumulated foul as soon as the ball is out of play.
- (b) All opponents must be at least 5m from the ball until it is play.

2022 Oregon Futsal Cup Rules

(15) Direct Free Kick Beginning with Sixth Accumulated Foul by Each Team in Each Period (DFKSAF)

- (b) A goal may be scored directly from a DFKSAF and the kicker must attempt to do so.
- (c) The defending team's players may not form a "wall" to defend a DFKSAF.
- (d) DFKSAF procedure:
 - (i) The ball must be stationary on the 10m mark or at the place where the DFKSAF offence was committed (provided that this was in the area between the defending team's goal line and the imaginary line outside the penalty area, 10m from and parallel to the goal line).
 - (ii) If the DFKSAF offence was committed in this area, the kicker may choose to take the DFKSAF either on the 10m mark or from the place where the foul was committed.
 - (iii) The defending goalkeeper must be at least 5m away from the ball until it has been kicked
 - (iv) All other players must be at least 5m from the ball, behind the ball, and outside the penalty area.
 - (v) The player taking the DFKSAF must kick the ball toward the opponents' goal and with the intention of scoring a goal directly.
 - (vi) If a DFKSAF is awarded when a period is about to end, the period will be considered to have ended when the DFKSAF has been completed (ie., when one of the following occurs: the ball stops moving or goes out of play, the ball is played by any player other than the defending goalkeeper, or the referees stop play for an offence by the kicker or kicker's team)
 - (vii) If a defending team's player (including the goalkeeper) commits an offence and the DFKSAF is missed/saved, the DFKSAF is retaken.

(16) Indirect Free Kick
