2022 USYS United Cup Policy Manual

(2) Abandoned Games in Bracket Play - Scoring

- (a) If the referee abandons a match without fault by either team, and a reschedule is determined to not be possible, the game will be scored as follows:
 - (i) The score of a match abandoned following the end of the first half will be the score at the time of abandonment.
 - (ii) The score of a match abandoned during the first half will be entered as a 0-0 draw.
- (b) If the referee abandons a match because of the improper behavior of a coach, player, spectator, or any combination thereof, the match will not be rescheduled.
 - (i) If both teams are at fault, the game will be scored as a forfeit by both teams so that neither team receives any points from the match in standings.
 - (ii) If only one team is at fault, the score will be entered as a forfeit by the team at fault.

(3) Tie-Breaking Criteria:

- (a) Except when advancing wildcards from unequal brackets [Policy (F)(5)(c)] standings within a bracket or advancement from the bracket will be determined by applying the criteria below. See Policy (F)(4)(b) for ties among 3 or more teams and Policy (F)(5)(b) for advancing wildcards from equal brackets.
 - (i) Winner in head-to-head competition
 - (ii) Winner of most games.
 - (iii) Highest goal differential (goals scored minus goals against) with a maximum differential of four (4) goals per match counted both for and against.
 - (iv) Total goals allowed
 - (v) Total goals scored
 - (vi) Most shutouts
 - (vii) Coin Flip by Tournament Director

(4) Breaking Ties in Bracket Play Within a Bracket

- (a) If 2 teams are tied in points at the conclusion of bracket play, team placement or advancement will be determined by applying the criteria in Policy (F)(3), in the order listed, beginning with (F)(3)(a)(i).
 - (i) The tie is broken when the first of the tie-breakers in Policy (F)(3) distinguishes between the two teams.
 - (ii) Coin Flip by Tournament Director, as provided in Policy (F)(3)(a)(vii), will only be used if the 2 teams have played each other and none of the tie-breakers in (F)(3)(a)(i)-(F)(3)(a)(vi) have differentiated the teams.
- (b) If 3 or more teams are tied in points at the conclusion of bracket play, team placement or advancement will be determined by applying the criteria in Policy (F)(3)(a), in the order listed, beginning with (F)(3)(a)(ii), but not including (F)(3)(a)(vii).
 - (i) The tie is broken when the first of the specified tie-breakers sorts the teams.
 - (ii) If a tie-breaker only sorts some of the tied teams, the standings of the remaining teams is determined by applying the tie-breakers to the remaining teams beginning again with (F)(3)(a)(ii), but not including (F)(3)(a)(vii).
 - (iii) If two teams remain tied after applying all the tie-breakers in (F)(3)(a)(ii)-(F)(3)(a)(vi), and the two teams have played each other, the two team's results will then be compared using (F)(3)(a)(i). If a tie still exists after this, Policy (F)(3)(a)(vii) will break the tie.

2022 USYS United Cup Policy Manual

(5) **Wildcard Advancement – Comparing Teams Across Brackets**

- (a) When the tournament format for a particular age group requires advancing an unequal number of teams (wildcards) from each bracket (e.g., best 2nd place team or top two 2nd place teams), teams in different brackets will be compared to each other using criteria that are applied the same way to all teams in the group being compared.
 - (i) Wildcards are always drawn from the same level in each bracket.
 - (A) When the format is the top team and NN wildcards, only the teams finishing 2nd in each bracket will be compared for wildcard advancement.
 - (B) When the format is the top 2 teams and NN wildcards, only the teams finishing 3rd in each bracket will be compared for wildcard advancement.
 - (ii) When all brackets have the same number of teams, results within brackets can be directly compared as specified in (F)(5)(b).
 - (iii) When brackets do not have equal numbers of teams, results within brackets cannot be directly compared because teams will not have played the same number of games. The method of comparing teams between brackets with unequal numbers of teams is specified in (F)(5)(c).
- (b) **Equal Brackets:** When all brackets have the same number of teams playing the same number of games, the first criterion for advancing teams is the number of points earned. If there is a tie in the number of points, the tie will be broken by applying the criteria from (F)(3)(a)(ii) through (F)(3)(a)(vi), in the order shown. The criteria will be applied until the teams have been sorted. If a tie-breaker only sorts some of the tied teams, the teams remaining tied will be compared by restarting the tie-breaker comparison with (F)(3)(a)(ii) until all slots in the next round have been filled.
- (c) **Unequal Brackets:** When not all brackets have the same number of teams and a comparison is made across brackets, the teams will be compared using the following criteria in the order shown:
 - (i) Average points per game: determined by dividing a team's total points earned in bracket play by the number of games the team has played.
 - (ii) Average goal difference: determined by dividing a team's total goal difference (using a maximum of four (4) goals difference per game counted both for and against) by the number of games a team has played (e.g., team A plays 3 games with a +3, +2, and -1 goal difference in each game. The total goal difference is +4. The average goal difference is $4/3=1.33$. Team B plays 2 games with a goal difference of +3 and - for a total goal difference of +3. The average goal difference for team B is $3/2=1.5$. In a comparison between team A and team B, team B would advance based on a superior average goal difference).
 - (iii) Average goals allowed: determined by dividing the total number of goals allowed by the number of games played.
 - (iv) Average goals scored: determined by dividing the total number of goals scored by the number of games played.
 - (v) The criteria in this section (F)(5)(c) will be applied until the tied teams have been sorted. If a tie-breaker only sorts some of the tied teams, the teams remaining tied will be compared by restarting the tie-breaker comparison with (F)(5)(c)(i) until all slots in the next round have been filled.
- (d) **Wildcard Placement:** Wildcard teams will be ranked based on points earned in bracket play and the application of tie-breakers as required. Wildcard teams will be seeded into knockout matchups based on their rank, except that no team will be matched against a team it has already played in its preliminary bracket.

2022 USYS United Cup Policy Manual

(6) Coin Toss

- (a) If all the tie-breakers and team comparisons specified in (F)(4), (F)(5)(b), or (F)(5)(c), as appropriate, have been applied and a tie remains, any remaining ties will be determined by a coin toss conducted by the Tournament Director. In any coin toss, the higher seeded team will select heads or tails before the Tournament Director tosses the coin.

(7) Breaking Ties in Knockout Rounds

- (a) When a game in a knockout round (quarterfinal, semifinal, final) ends in a tie, the winner will be determined by Kicks from the Penalty Mark in accordance with IFAB Laws of the Game. No overtime will be played.

- (c) The Tournament Director will review the circumstances of any failure to play forfeiture.

- (a) If the first half of the match has been completed, the match will be considered completed and the result considered final.

- (c) The referee must include information about the suspended play in their Match Report.

(3) Matches Abandoned for Failing to Maintain Minimum Number of Players

- (a) If at least one full half has been completed, a match abandoned by a referee for a team's failure to maintain the minimum number of players (5) on the field will stand as a completed match.

 - (ii) If the team that failed to maintain the minimum number of players has more goals at the time of abandonment, the match will be scored as a forfeit by that team.
 - (iii) If the team that failed to maintain the minimum number of players is tied at the time of abandonment, the match will be scored as forfeit by that team.
- (b) If one full half has not been completed, a match abandoned for a team's failure to maintain the minimum number of players on the field will be considered forfeit by that team.

(4) Matches Abandoned for Refusing to Continue Playing

- (a) A team that forces a referee to abandon a match by refusing to continue to play after the match has begun will forfeit the match and may be subject to additional penalties.
- (b) If a team refuses to continue a match after a coach is sent-off, and there is another eligible adult for the team present at the match, the team will be removed from the tournament.
 - (i) When a team is removed from the tournament during a quarterfinal or semifinal match, the opponent will automatically advance to the next round.
 - (ii) When a team is removed from the tournament during the final match, the team will not be eligible to receive any awards that go to a tournament finalist.

2022 USYS United Cup Policy Manual

(5) Matches Abandoned for Behavior

- (a) When a match is abandoned due to the conduct of coaches, team officials, players, or spectators, the team or teams at fault will forfeit the match and may be subject to additional penalties.
- (b) If both teams are found to be at fault, the game will be scored as a 0-0 draw and a forfeit by both teams so that neither team gains any points towards standings from the result.
